The Home Care and Hospice Conference and EXPO is hosted by the National Association for Home Care & Hospice (NAHC). NAHC is a nonprofit organization that represents the nation's 33,000 home care and hospice organizations. NAHC also advocates for the more than two million nurses, therapists, aides and other caregivers employed by such organizations to provide in-home services to some 12 million Americans each year who are infirm, chronically ill, and disabled.

The Home Care and Hospice Conference and EXPO is the premier and largest educational and networking event for home care and hospice providers, owners, and industry leaders. The EXPO features over 180 companies represented each year, offering a wide variety of products, services, and cutting-edge technologies. During the conference, Expo participants will have over 8 hours to educate, engage, and network with both prospective and current clients, while building relationships through face-to-face interaction.

It's important to note that the hours in the Expo are exclusive, meaning attendees will be able to focus solely on meeting with you and learning more about your products and services. You can also offer a more in-depth look at your products and services by hosting a demonstration or schedule a learning lab session, which will be promoted to all attendees.

“As the largest industry event for the Homecare segment, the NAHC Annual Meeting is vital for communicating your brand strategy to our target audience. While getting current and prospective customers in the exhibit space is important, the value of the NAHC Annual Meeting also lies in scheduling surrounding events that give you opportunities for more intimate conversations. NAHC works with us to arrange meeting rooms to facilitate these events. The end result is that the NAHC Annual Meeting is our largest source of tradeshow leads annually.”
